

Afskrift af Kirkebog Gråsten 1883-1891 Trolovede

Er der en bemærkning, så vil det normalt fremgå f.eks. som her: [Ullerup]. Forekommer der 'prikker' i et ord, så viser det svært (u)læselige tegn eller beskadigelse af kilden. Hvor f.eks. en dato er opført som en bindestreg '-', så var forventet dato/data ikke indskrevet i kilden.
